

# THE FIRST GLANCE

## Photo Requirements for Dr. Brichacek

- 1) Ensure ALL hair is off face / behind ears - put a headband on if needed
- 2) Frankfurt horizontal plane – all angles– **should be able to draw a straight horizontal line from the top of the ear canal to the bottom border of the tear trough**
- 3) Patient's normal resting position – all angles (this may mean they naturally tilt up or down)
- 4) Rhinoplasty patients - also need chin up/chin down photos
